How to reset taximeterhow to operate taxi meter digitax meter problems viking mirror meter instructions digital taxi meter digitax f2 taximeter . I have a RICOH E3530L-C which i would like to use as a car tax meter. I have changed the MODE indicator to VEHICLE and can now see when it is on and off (tested with one vehicle). I have also tried the button underneath the MODE (top of the meter) for local tariff and this appears to work correctly, so the data is being read but I cant get it to display. It is mounted directly to the roof of my car and seems to work correctly, however i have a Samsung F2 which I can not seem to use.
